Plan for a Review of Energy Intelligence Activities and Development

- Alternatives for initiation of a review:

  - Raise as a resource management budget issue and proceed on RMS initiative.

  - DCI request that such a review take place.

  - DOE request to NFIB that the D/DCI/RM, in collaboration with DOE, undertake for NFIB and DOE, a thorough review of energy intelligence activities and developments within the Community.

  - Other...

- D/OPEI undertake interviews of high level management and senior level users and producers/collectors to determine their satisfaction with and need for energy intelligence and to elicit their views of current problems, improvements needed and their recommendations.

- Preparation of a memorandum from the D/OPEI inviting Community senior personnel involved in the collection and production of energy intelligence to a meeting co-hosted by the D/OPEI and the D/CA of DOE. Invitation will include a request for a description of current and anticipated energy intelligence activities and developments.

- Preparation of a memorandum from the D/OPEI inviting users and producers/collectors of energy intelligence to a conference co-hosted by the D/OPEI and the D/CA of DOE. The meeting's purpose is to elicit users' views on the adequacy of energy intelligence and to provide a forum for the articulation of their needs in a face-to-face discussion of users' energy intelligence needs.

- Develop a review in line with the attached Terms of Reference.

- Upon completion of the review set up meeting between the SDOE and the DCI to discuss energy intelligence.

- Consider forwarding the review to OMB.
